University of Petrosani, Romania

CO-OPERATION AGREEMENT

"The Board of Regents of the Nevada System of Higher Education on the behalf of the University of Nevada, Reno, and the College of Science", and the "University of Petroşani", Romania, duly represented by its Rector Prof. Sorin Mihai RADU, express their desire to establish academic and scientific relations. Both parties agree to sign this Agreement for co-operation and exchange in the fields of research under the following conditions:

ARTICLE 1

The College of Science of the University of Nevada, Reno and the University of Petroşani agree to collaborate and exchange experiences in research and educational initiatives, sharing knowledge and experience among the professors, faculty staff, administrative officers, and carrying out mutual research projects.

ARTICLE 2

Both parties will promote institutional and faculty exchange efforts using feasible means, based on established collaboration protocols.

ARTICLE 3

Both institutions, on mutual Agreement, will seek sources to finance educational initiatives, research, and student exchange programs, which would be executed under this Agreement. These financial sources would preferably be international, national, public or private.

ARTICLE 4

This Agreement does not entail financial obligations for any of the Universities.

ARTICLE 5

In order to achieve the objectives foreseen within this Agreement, the detailed plan of co-operation will be incorporated into this Agreement through an addendum to the Agreement, which will be duly executed by both parties.

ARTICLE 6

Both parties will exchange publications, scientific and technical materials, as well as scientific journals published by the Universities where appropriate.

ARTICLE 7

- 1) This Agreement shall run for 10 years from the date of signature, however the Parties shall review progress results and the possibility of renewal of this Agreement no later than three months before its expiration date. If at that time it is decided to renew this Agreement, this shall be the subject of a formal amendment to this Agreement.
- 2) This Agreement enters into force upon being signed by the two co-operating Universities.

3) Cancellation of the Agreement can be initiated by any of the Universities through a written notice of termination given to the other partner. Otherwise, the present Agreement would expire 10 years from the date of signing.

ARTICLE 8

In the event of one Party making available to the other Party (the "Receiving Party"), confidential written information related to its business, scientific or other activities which is identified as either "Confidential Information" or "Proprietary", with an appropriate legend, marking, stamp, or other obvious written identification ("Confidential Information"), the Receiving Party shall maintain the secrecy of such Confidential Information and shall not disclose it to third parties or members of its staff or students outside the team working on the collaboration without the prior written consent of the party disclosing it. Neither party shall include any of the other Party's Confidential Information in the published results of the collaboration without the prior written consent of the other Party. Each Party shall ensure that any of its employees and students involved or engaged in the collaboration shall maintain the secrecy of the other Party's Confidential Information, and if either Party intends to use the services of sub-contractors, consultants or other third parties to work on, advise on the collaboration, that Party shall first ensure that such sub-contractors, consultants or other third-parties sign legally binding non-disclosure Agreements to abide by the same conditions of confidentiality as are set out in this Agreement. These conditions shall not apply to information which can be demonstrated to have lawfully entered the public domain through no breach of this Agreement. Notwithstanding the foregoing, the University of Petrosani acknowledges that the University is a governmental entity and thus subject to the Nevada Public Records Act, NRS 239.0015 to NRS 239.330. The obligations set forth in this Agreement are subject to the University's obligations to comply with the State of Nevada Public Records Act.

ARTICLE 9

The present Agreement has been drawn up in two original copies (in English), all of them being authentic, and will come to force after the authorities of both Universities have assented to it.
