WORK EXPERIENCE

2014-present

Lecturer in Geology

University of Petrosani, Universității, nr. 20, Petroșani, Hunedoara, 332006, Romania

▪ Teaching and education in geology and environmental impact, scientific research

Management, Environmental Engineering and Geology Department

2006-2014

Assistant professor

University of Petrosani, Universității, nr. 20, Petroșani, Hunedoara, 332006, Romania

Leading and executing responsibilities within the Department, teaching and research activities in geology and environmental impact

Management, Environmental Engineering and Geology Department

2002-2006

Preparator professor

University of Petrosani, Universității, nr. 20, Petroșani, Hunedoara, 332006, Romania

Leading and executing responsibilities within the Department, teaching and research activities in geology and environmental impact

Department Mining Technique and Geology

EDUCATION AND TRAINING

20.08.2012 – 30.08.2012

Text and image processing operator

S.C. Memory S.R.L. Hunedoara

▪ word processing, image processing drawings and assembly of static and / or dynamic text and / or drawings and / or images, making presentations, as well as works on implementation support.

2002-2010

Doctor in engineering science: Mine, Petroleum and Gas specialization

University of Petrosani

2004-2005

Training course for teachers / Postgraduate

University of Petrosani

2000-2002

Postgraduate Master Diploma.

University of Petrosani

1995-2000

Engineer Diploma in Geology

Technical University of Petrosani

1990-1994

High School Diploma

Theoretical High School

PERSONAL SKILLS

Mother tongue(s) romanian

Other language(s)	UNDERSTANDING		SPEAKING		WRITING
	Listening	Reading	Spoken interaction	Spoken production	
English	B1	B1	B1	A2	B1

Communication skills ▪ good communication skills gained through my experience as teacher

Organisational / managerial skills ▪ good organizer of school events

Job-related skills ▪ Determination of rocks and minerals with polarizing microscope and the reflected light.
 ▪ Mineralogo-petrographic description of rocks and minerals determined.
