OTP BANK

OTP Bank Romania este parte a OTP Group, unul dintre cele mai importante grupuri financiare din Europa Centrala si de Est, cu operatiuni in tari precum Ungaria, Muntenegru, Croatia, Bulgaria, Rusia, Ucraina, Slovacia, Serbia si Romania.

Prezenta din 2004 pe piata bancara locala, OTP Bank România si-a propus sa devina o banca universala puternica, care sa ofere servicii complete pentru clienti persoane fizice si companii.

In ultimii 11 ani de cand OTP Bank a intrat pe piata din Romania am demonstrat ca avem capacitatea de a intelege nevoile clientilor si contextul actual al pietei si ca suntem un partener de incredere in furnizarea de servicii financiare.

Ce ne diferentiaza

Banca isi propune sa ofere in continuare clientilor sai, companii si persoane fizice, nu doar produse financiare, ci servicii bancare personalizate, care sa satisfaca integral nevoile partenerilor sai.

In OTP Group, oamenii dau valoare si sunt o adevarata resursa. De aceea, OTP Bank Romania recunoaste, atrage, dezvolta si expune spre calitate si profesionalism capitalul uman, rezultatul fiind o echipa tanara aflata intr-un continuu proces de perfectionare.

Kellogg's Global Business Services
Enabling Kellogg to grow profitably

Kellogg's

At Kellogg's we have a vision of enriching and delighting the world through foods and brands that matter; with the purpose of nourishing families so that they can flourish and thrive.

Our Vision and Purpose are at the heart of everything we do. Simple yet powerful, they define why we're here and where we're going - made possible by the extraordinary talent of everyone who works here. People like you. Our heritage, through the inspiration of W.K. Kellogg, continues to drive our company and keeps us committed to creating a stronger future every day, by putting people first in everything we do.

Operating in more than 180 countries, across 6 continents, with dedication and passion from each and every one of our 30,000 employees, we are extremely proud of our ever growing portfolio of over 1,600 food products, which include iconic brands such as Pringles, Frosties, Special K and Corn Flakes.

Our company is a place where innovation lives on, where we never stop learning and where we're excited about tomorrow. It is this belief that brings us together and sets us apart.

Now we are creating exciting opportunities in Bucharest with the opening of a new Service Centre at Floreasca Business Centre (adjacent to Aurel Vlaicu Metro).

Procter & Gamble

As a “build from within” organization, we see over 90% of our people start at an entry level and then progress and prosper throughout the organization. This means we invest heavily in talent, through training and development opportunities. We have always felt that our edge over the competition is our people. This is why we invest so much time, energy and resources in selecting candidates and then fully supporting and inspiring them going forward to become business leaders.

A career at P&G offers exciting new challenges and a chance to touch and improve lives daily. Our people get involved – with their workplace, their community, their neighbors and each other. If you want a company whose actions reflect their ethics and whose people live their values, P&G is an excellent choice.

Bitdefender is the creator of one of the world's fastest and most effective lines of internationally certified internet security software. The company is an industry pioneer, introducing and developing award-winning protection since 2001. Today, Bitdefender technology secures the digital experience of 500 million home and corporate users across the globe. Top international testing organizations and world-renowned software reviewers acknowledge Bitdefender's solutions as the world's most effective. In January 2015, Bitdefender won AV-Comparatives' Product of the Year a second time, taking Gold awards in Proactive Malware Detection for its industry-leading heuristics, Real World Detection for accurate performance in real-life situations and Malware Removal for its thorough disinfection. At the same time, Bitdefender's nearly undetectable impact on system performance won it Best Overall Speed.

Bitdefender has further confirmed its industry leadership with titles including Best Antivirus of 2014 and two Editor's Choice awards from PCMAG, The Best Performance 2014 Award by AV-TEST for its Endpoint Solution, and 2013 Editor's Choice from CNET. Bitdefender is also the only security solution to win all 35 VB SPAM awards given out by Virus Bulletin.
